They are confident in view of their very superior and unsurpassed facilities for the purchase of goods in the Eastern markets from cash auctions, importers and manufacturers, in all cases from first hands, one of the firm residing and superintending the business of their concern in Philadelphia, that they are not only able, and do buy their goods from 20 to 25 per cent cheaper than most houses in the city who buy on credit, and of jobbers, but they are able and are determined to sell that much lower.—They deem it superfluous to attempt, as it is impossible to enumerate the articles that comprise their stock, which in extent is unrivalled by any similar establishment west of the Atlantic cities.
To their friends and customers, and those who know them, it is needless to say anything, but to strangers who are in want of articles comprising their stock, they will say, call on us, and let us show you the great inducements we are able to offer; we will give you polite and respectful attention, with better bargains than you are able to get elsewhere. The Sentinel's Denials.

Like an exposed culprit, the *Sentinel* still maintains its innocence of any complicity in the plot to elect Mr. Wells. We have not abandoned one of our positions. We still maintain that but for the efforts of the Sentinel and its backers to get Durkee whigs to vote for Durand, and Baltimore whigs to vote for Wells, Mr. Durkee would have been elected. We said, and still say, that whether Mr. Durkee *could* or could *not* have been elected, the treachery of the *Sentinel* to its own party and its former professed principles, in urging Durkee Whigs to go for Durand, and holding out to them the hope of his election, when it was saying privately that there was no possible chance for his success, and at the same time being privy to the scheme of the whigs here to elect Wells, is dishonorable, and must lose it the respect of the better portion of the whigs. Nay, we go further and say, its course *has* forfeited the confidence of a large portion of its former associates.—Whigs—not a few—both in this city and out of it, have come to us and said frankly,—"There is no use of the Sentinel's lying about this matter. It has deceived us and played the traitor, and it can never have our confidence again, as a whig organ. And when it comes out unblushingly and prefers Wells to Durkee, after all its professions of Free Soil, and its philippics against Wells and his party, we want nothing more to do with it as a whig organ." A whig who has repeatedly been honored with the confidence of his party, and who worked in good faith for Durand, said to us, that "he was satisfied and had been for some time, that Rufus King was ready, at any time, to sell out the whig party, for his own advantage."

Were we to state all we know of the feelings of disaffection and even indignation among whigs towards the *Sentinel* for its course, it would be a hundred fold more unpalatable to the Jenny Lind organ than any thing it has yet seen. But we leave them to tell their own story in their own way.

In conclusion, we do not admit—

1. That "Wells was elected without and in spite of the whig vote."

2. Nor that it is fair for the *Sentinel* to take a paragraph from its connection so as to give it a contrary meaning from that which it had in its original position. But having been a party to a base fraud upon the public, it cannot be expected to be very particular as to the means of escaping deserved punishment.

We charge upon the *Sentinel*

That it declared publicly that the whigs of this city were not going for Wells;

That they *were* going unitedly for Durand;

That Durand's chance of an election was good;

That it gave private assurances that the whigs here would not go for Wells—

That Durand had no chance of an election;

That it was cheek by jowl with the schemers who gave Wells some 750 whig votes in this county;

And that at the Jenny Lind carousal, the Senior Editor came out openly, and expressed his joy at the election of Wells. These are facts, which can be judicially established whenever the *Sentinel* chooses to try them on.

☞ The election returns for Waukesha County, which we published last week were furnished us by Mr. Bacon from the Waukesha Democrat Extra. As Mr. Barron was at considerable expense in getting the returns early, he should have the credit of it.

☞ The amount of gold coined at the Philadelphia mint, in Oct., is $4,666,026, and the amount of silver $3,785,930.—Amount of copper coined $1,212, and the amount of gold deposited at the mint $4,140,000.

☞ Albert Tracy, who served with honor as a Captain in the Mexican War, has been appointed Adjutant General of Maine.

Speaking Out.

The Racine Commercial don't seem to fancy the result of the Congressional election in this District. It opens thus:

"One is always inclined to look somewhere for consolation in great calamity, and we derive ours in the present instance from the fact that the *faction* called the Free Soil party is worse beaten than the Whigs. We are beaten, *they* are annihilated. How the vote on member of Congress has gone, we are yet unable to determine. Probably Daniel Wells, Jr., is the successful candidate."

The only mistake in this, is that the Free Soilers are out-numbered, and the *Whigs* annihilated. Further on it says.

"One truth, however unpalatable must be spoken. In our defeat upon Congressman we have on'y to blame ourselves. Instead of pulling together and electing a man from our own County, we must succumb to the domineering influence of Milwaukee, and unite with them to defeat our own interests. Out upon such treachery. If in the end Mr. Durkee should be elected, it would be a just punishment for the infatuation of the Whigs."

In the next article, still doubtful of the result, it says:

"Even yet those whigs who sold Mr. Durand for Mr. Wells are not certain that their treachery was successful. Still enough has been heard to make it probable that Mr. Wells is elected. Were it not that such a result would be disastrous to the interests of Racine County, we could almost hope to see Mr. Durkee elected."

We have just one word for our Racine friends. Mr. Durkee acted impartially and honorably toward you, and you treated him most shamefully. You could not have got a man who would have done more for you than he. But you have, by rejecting Mr. Durkee, taught this lesson to Congressmen—"go for your own local interests, for we will not sustain you, if you do your best to promote our interests."

☞ John H. Tweedy has been elected to the Assembly from the first Ward of the city of Milwaukee. We don't think this much of an acquisition to the Assembly, but it is so much better than the election of that bogus Land Reformer, Wilson, that we have no great *cause* of complaint.—*Kenosha Telegraph.*

☞ Mr. CLEMENT:—Allow me the privilege of saying, if in this world there is a man completely wanting in every attribute of manhood, it is the editor of the Milwaukee Wisconsin. A sneak and coward before election, when it is doubtful where the popular majority will be, after election, no whiffet dog is braver over a harmless foe, than he is over a defeated opponent. At the very time when *men* are laying down the words of strife for those of generous condolence on one hand, and grateful responses on the other, this *thing* who during the battle sneaked cowardly in a corner, now grows of a sudden meanly brave, and Fals'aff-like stabs the body that was slain by noble hands. Charles Durkee is a man that among *men*, under any circumstances, can command words of respect and kindness, but the editor of the Wisconsin, like the animal I have before alluded to, grows brave over Durkee's defeat, and barks out, at his retreating heels the epithets he was afraid to even snarl when it was possible Durkee might again receive the popular favor. S***s.

MICHIGAN CONGRESSMEN.—David Stuart and Daniel A. Noble, (democrats) have been elected to Congress, the first in the Detroit District, and the latter in the Second District.

ACCIDENT ON THE MICHIGAN CENTRAL RAIL ROAD.—On Wednesday last, as the Michigan Central train was coming West, when within about 40 miles of Chicago, the axletree of one of the hindmost cars broke, throwing the passengers in every direction and tearing up the track badly. Fortunately no one was seriously injured.

☞ In Columbus, Ohio, the Hunkers got into such high glee over the result of the election on the 2d inst., that the police had to interfere to prevent acts of violence. One of the rowdies was shot, it is thought fatally, by a police officer in attempting to quell the disturbance.

MARINE.—The propeller Ohio, bound for Chicago, ran into and sunk the schooner Geo. C. Watson, off Racine, a week ago last Sunday afternoon. The captain and crew of the Watson escaped without injury.

FREE DEMOCRAT.—The Hon. Geo. Gage is elected to the Assembly in McHenry co., Illinois.

HALE'S VOTE IN ROCK CO.—The Janesville Gazette says that Hale's vote in Rock county will be between 800 and 900.

MARINE DISASTER.—On the night of the 2d inst., near Erie, the steamer Queen City ran aground. Several steamers were immediately despatched to her assistance, and after much exertion got her afloat again, with the loss of her cargo, all of which was thrown overboard. She was towed into Dunkirk Harbor.

ILLEGAL VOTING.—Some half a dozen arrests have been made in New York since election for illegal voting. A female attired in men's clothes attempted to vote in the 19th Ward, but the ballot was rejected, much to her disappointment.

NEW CHURCH.—A new congregational church is about to be elected at Chicago.

MASSACHUSETTS.—The vote in Worcester County, stood as follows:—For Scott 7,395; Pierce 6,000; Hale 7,397.

The returns from 316 towns foot up as follows:—Scott, 53,662; Pierce, 46,342; Hale, 28,716; Webster and others, 1,650.

☞ The Madison Argus says that Ben C. Eastman, Democrat, is elected to Congress over Chauncey Abbott, whig, by about 2,500 majority.

☞ Ole Bull has subscribed $50,000 to the Sunbury and Erie Railroad.

Campaign Subscribers.

One more number of the Weekly will complete the time for which we agreed to furnish the *Free Democrat* to the first campaign subscribers. We do not wish to part with any subscribers, but our experience of the credit system has been such that we dare not re-adopt it. Those campaign subscribers who chose to send us $1,50, shall have the Weekly *Free Democrat* sent them one year. Those who do not comply with this requisition will receive no paper after the expiration of their subscription. The time of those who subscribed August 1st, and after, does not expire till December 1st or after.

We would suggest, however, that a great work is before the freemen of this State and country, and as one of the parties is now effectually and finally disposed of, and the best men of both the old parties will now rally to the Free Democratic standard, you cannot do better than to continue to take a paper which will keep you informed in relation to all the movements in behalf of Human Progress. We shall spare no labor nor expense, within our means, to make the Free Democrat worthy of your patronage, and the larger our patronage, the better the paper we shall be able to furnish. Suppose, now, that instead of stopping the paper, at the close of the campaign, you look around among your neighbors and see how many you can get to subscribe for it at $1,50 a year! We shall thereby increase our list, and you will get a better paper.

☞ The Kenosha *Telegraph* raises the name of John P. Hale for President in 1856, and of Charles Durkee for Vice President.

STATE PRINTING.—The appeal which was taken by Berish Brown & Co., against the decision of the Secretary of State, in awarding the State printing to C. C. Sholes, has been denied: Governor Farwell and Attorney General Estabrook sustained Secretary Robinson's decision by written opinions.—Treasurer Janssen was for the appeal. So C. C. Sholes is State printer for the ensuing year.

☞ Two years from this time, this Congressional District will elect a Free Democrat to Congress. The policy of the Administration elect will be intensely pro-slavery. This will drive all the free spirits out of the party. The Free Soil Whigs will unite with the Free Democrats, and the Hunker Whigs will join the Hunker Democracy. Let the issue be fairly made between Freedom and Slavery, and the result cannot be doubtful.

☞ Mr. Sharp, of Door Creek, writes us that by mistake he set down the vote of that town for Pierce at 7, instead of 74, as it should have been. The vote of Pleasant Spring was for Pierce 94, Scott 10, Hale 13. He says hundreds of votes were lost for Hale for want of printed votes. From 10 to 20 votes were thus lost in his town. He had to write votes. Some Norwegians came to him for written votes, and on their way to the polls some sham Democrats assured them that they were Whig votes, and gave them Pierce votes instead, and then shoved them forward to the polls. The vote for Hale this fall is no index of the real feeling of the people. There were no Free Democratic votes printed, save for a very few towns, out of this Congressional District, except in Sheboygan and Winnebago counties.

Watertown and Potsdam Rail Road—The *Jeffersonian* of the 2d inst., says that this road—connecting Watertown with Ogdensburgh—is to be completed within 18 months.—Messrs. Phelps, Barnes & Mattoon have the contract, and are to enter upon the work at once. The survey was made by EDWARD H. BRODHEAD, Esq., who submitted a very able and intelligent Report favorable to the route adopted.

☞ The Kenosha *Democrat*, with its usual accuracy, says Pierce has a plurality over both Scott and Hale. It publishes the returns from all the towns but one—not yet received—giving Hale 580, Pierce 527, and Scott 474.

☞ Later returns show that Pierce has carried Georgia by nearly 7,000 majority; Virginia by 1,000 majority, and North Carolina by 6,000 majority. Louisiana, Mississippi and Alabama, dem.

NEW JERSEY.—This State has gone Democratic by 500. Legislature 26 Democratic majority on joint ballot. One Whig and four Democratic Congressmen are elected.

☞ Iowa has gone for Pierce by almost 5,000 majority.

DELAWARE.—Complete returns have been received. Pierce's majority is 34.

☞ Missouri has gone for Pierce by from 10,000 to 12,000.

☞ Kentucky is reported to have given 2,000 democratic majority.

NORTH CAROLINA.—About ½ of this State has been heard from. The democratic majority in the State is estimated will reach 6,000.

☞ CALEB LYON, Independent, is elected to Congress from the 23d District of New York. Good.

GERRIT SMITH is elected to Congress from the Oswego District. Hallelujah!

We have lost Durkee and Townshend, and have gained Wade and Gerrit Smith. The election of Gerrit Smith forms an epoch in our history. Slaveholders and Doughfaces will now hear the truth in its majesty. All honor to the *men* of Madison and Oswego counties.

DROWNED.—Mr. Olson, Captain of the Schooner Amelia, was knocked overboard and drowned near Chicago on Thursday last.

☞ Robert H. Morris has become associated in the publication of the *Chicago Journal*.

☞ Thos. W. Hill, Free Democrat, is elected to the Assembly, from the towns of Elkhorn, Geneva and Hudson.

T. H. Fellows, F. D., we presume is elected in the Bloomfield District. Lauderdale, whig, in the Whitewater dist., and a Free Democrat in the Delavan District. If so, Walworth Co. will send 4 Free Democrats, 1 whig and 1 Hunker to the Assembly.

Lyndon, Sheboygan Co., gave Hale a plurality, viz: Hale 50, and Scott and Pierce 45 each. Smith, Free Dem., for Assembly, 92; Coleman, Hunker, 45.

Scott, in same county, gave Hale 18; Pierce 20, Scott 31. Smith, for Assembly, 47; Coleman, 24.

☞ The *Sentinel*, as a sop to the disaffected whigs, has an article hinting that *Wells* was elected by money. It don't state who got the money. That would be a very interesting explanation to a great many whigs.

☞ 865 new voters were made in this city at the last election. The *Sentinel* says the whigs made 188 of them, and the democrats 677.

Mayville, Nov. 3rd, 1852.

Mr. S. M. BOOTH,

Dear Sir: We have just heard from two besides our own of the four towns comprising this Assembly district. It stands thus:

	Hale.	Pierce.	Scott.
Williamstown -	49 -	113 -	35
Leroy - - - -	20 -	40 -	42
Theresa - - - -	1 about	150 about	45

Lomira, Peirce's majority is rumored at 6.

We have elected E. N. Foster, whig, to the Assembly, over E. B. Brown, dem., by 83 maj.

We gave Shafter 65 maj. over Macy, for Congress. Shafter is said to be tinctured with Free Soilism.

This, sir, is the effect of sober thought, (as there are no Free Soil papers taken in this District, except in this town) and shows what might be done were the voters supplied with the right kind of reading. I think we have great reason to rejoice, as this is the strong-hold of Hunkerdom. In another four years we will give a majority for a Free Soiler. Yours with respect,

J. D. WHEELOCK.

I. & W. R. R.—The iron has been laid upon some three miles of the Illinois and Wisconsin Railroad, and we learn that nearly 25 miles will be completed in about two weeks. This work is being pushed vigorously forward in the hands of enterprising and efficient contractors.—*Chic. Jour.*

A Sixpence for a Kiss.

Coming down town in one of the Bowery omnibusses the other day, we were accidentally one of the trio—two of which consisted of a brace of rather pretty girls, who seemed to enjoy the ride remarkably. The stage did not get another customer, until on the corner of Rivington street, a rather spruce-looking young man stepped in who seated himself by our side, evidently inspecting the joyous, tempting damsels opposite with an eye of remarkable interest.

They took little notice of *him*, being evidently engaged in earnest but laughing confab.

As the conveyance neared the intersection of Chatham Square with Division street, our young companion pulled the string, and shoving up a two shilling piece to the driver, with the cabalistic interjection of "two!" took his change through the strap-hole, and as he retreated toward the door in the rear, suddenly put his arm around the neck of one of the unsuspecting maidens—the prettiest one—and bending his face to her lips, imprinted a warm, hearty kiss upon the twin cherries which composed the lips aforesaid!

It was an action of an instant, and in three seconds more he was out of the stage and around the corner, with only one roguish glance over his shoulder.

The poor girl turned pale, and then suddenly became remarkably red in the face, the blush mantling to her very temples, while she hastily wiped the insult from her pretty labials with a neat white handkerchief.

"But he paid your fare, Sarah!" whispered her sister divinity, as with a nudge of the elbow, she turned consolingly to the offended fair one.

"Did he? Well, *he can have a dozen more at the same price!*"

There was a quiet but meaning chuckle, and just then the driver gave his horses the reins. We were crowded farther away from the sirens, into the forward corner, moralizing tremendously on human frailty and wickedness!

Sixpence for such a KISS! Cheap, isn't it?

Daniel Webster.

DANIEL WEBSTER was born in the town or township of Salisbury, New Hampshire, on the 18th January, 1782, and was therefore seventy years, nine months, and five days old on Saturday last, the day of his death.

Mr. Webster's career as a public man, takes date from the year 1812, when, in November, he was elected to Congress from Portsmouth, New Hampshire. He took his seat in the House of Representatives, for the first time, in May, 1813, at the extra session. He was re-elected from New Hampshire, in August, 1814, to the fourteenth Congress. At the close of this Congress, in 1819, he removed to Boston, and remained in private life for five or six years, with the exception of his service, as a delegate to reform the constitution of Massachusetts.

In 1822, he was elected to Congress from Boston, and took his seat in the House in December, 1823, remaining a member of that body until June, 1827, when he was elected to the Senate. He continued in the Senate until March, 1841, when he was appointed Secretary of State by President Harrison. He remained in the Cabinet of Mr. Tyler, after Harrison's death, until about June, 1843, when he resigned. In 1845, he was re-elected to the Senate, and remained in that body until the summer of 1850, when, on the dissolution of the Cabinet following President Taylor's death, he was appointed, by President Fillmore, Secretary of State. In this office Mr. Webster died, and the varying accounts of his last illness inform us that he continued at Marshfield to give attention to its duties, transmitting dispatches to the Seat of Government, until his prostration was complete, and his situation critical.

DAILY DEMOCRAT.

MONDAY::::::::::::::::::NOVEMBER 8.

THANKSGIVING.

PROCLAMATION BY THE GOVERNOR.

AS a people we have abundant reason for the exercise of gratitude to the Supreme Being, for the condition of health, the abundant harvest, the peaceable submission to civil law and order, and the general prosperity with which we have been favored, as a State during the past year. And as the unworthy recipients of these and other kind blessings, we are called upon to suitably recognize the Benevolent Source, whence "cometh every good and perfect gift."

THEREFORE, I, LEONARD J. FARWELL, Governor of the State of Wisconsin, hereby appoint Thursday the *Twenty-fifth* day of November next, as a day of Thanksgiving to ALMIGHTY GOD. And respectfully request the people of Wisconsin to properly observe the same.

L.S. In witness whereof I have hereunto set my hand, and caused the Great Seal of the State to be affixed at Madison, this twenty-fifth day of October, in the year of our Lord, One Thousand Eight Hundred and Fifty-Two.

By the Governor LEONARD J. FARWELL.

State Convention.

Owing to the long-continued rains, the impassable state of the roads, and the brief time for giving notice, after consultation with friends, the State Central Committee have concluded to postpone the meeting of the Free Democratic State Convention, which was to take place on the 16th inst., to some time hereafter to be announced.

NEW CARS.—Ten more passenger cars have recently been built at the R. R. Depot, for the M. and M. R. R. Co., five of which have been running some time, and the remainder will be put on the track in a few days.

☞ Mr. Webster is the second Secretary of State who has died in office; Mr. Upshur, of Virginia, was the first, he having been killed by an accident on board the United States steam frigate Princeton, February 28, 1844.

AFFRAY.—About 7 o'clock last evening, a Mrs. Andrews, on the west side of the river, was surprised by the cry of "murder murder" three times. Soon she opened the door, and on the opposite side of the street, heard two or more men splashing in the water, and occasional groans and entreaties, "let me go, don't kill me." In a short time certain citizens came along, whom she persuaded to go to the scene of difficulty, and they found a desperado, holding the victim under water, nearly dead. The villian then made his escape, but the drowning man was resuscitated.—*Chic Times.*

MILWAUKEE COMMERCIAL RECORD.

OFFICE OF THE DAILY FREE DEMOCRAT, Milwaukee, November 8, 1852.

The past week has been a more unpleasant one than has been experienced in a long time. The eastern mails have been sadly deranged owing to the high winds that have constantly prevailed. From Tuesday night to Saturday, we were without a single boat from Chicago. The roads—save the plank—radiating into the country in all directions, are nearly in an impassable condition, and receipts of produce from the country have been chiefly by Railroad, and have not been near as large as on previous weeks. This has occasioned quite a depression in the City trade.

Receipts of goods from the east have been extremely limited, and the same is true of shipments of grain to Buffalo. The grain market has undergone no particular variations in prices during the past week.

Hogs begin to come forward in limited quantities, and are readily taken at $4,50a5,50 per hundred. As the corn crop has been very good, we anticipate that there will be a large amount of pork to market this winter, and it bids fair to command a remunerating price.

Butter is in good demand at 15a18 cts for prime firkin, and at 16a18 cts for fresh.

Shipments from this port up to the present time, are as follows: Flour, 72,061 bbls; Barley, 244,914 bus; Oats, 273,375 bus; Wheat, 380,612 bus; Rye, 50,182 bus.

Flour—shipment of 1,000; $2,50a$3 for country; City at retail, $4a4,50.

Wheat—spring, 50a55; winter 60a70; 22,000 bus shipped, 15,000 bus received.

Rye, 50a53; 15,000 bus received.

Barley—36a41; 10,000 bus brought in, 8,000 bus shipped.

Oats—26a27.

Corn, 31a34; little offered.

Cheese, 7a9. Eggs, 8a10. Lard, 9a10. Hams 8a9½.—Shoulders, 5½a7¼.

Salt—firm, $1,75; coarse, $2; sack, 16c. Hides, green, 3½a4; dry, 8½a9. Leather—kip, 12½; calf, 15; sole leather, 18a20. Apples, $2,50a3,50 per bbl; dried per bus, $1,25a1,50. Candles, 11a11½. Hops—nominal at 40c.

Flax seed, $1. Timothy seed, $2a2,50. Beans, $1,25. Beef, $6a9 per bbl; $3,75a4 per hund. Pork, $4,50a5,50. Potatoes 37½. Hay, $4,50a6. Wood, $1,50a2.

Lime, 75c per bbl. Coal—Lehigh, $10,50; Erie, $4,50a $5,50.

AYER'S CHERRY PECTORAL

For the Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

Many years of trial, instead of impairing the public confidence in this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten. While it is a fraud on the public to pretend that any one medicine will infallibly cure—still there is abundant proof that the Cherry Pectoral does not only as a general thing, but almost invariably cure the maladies for which it is employed.

As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log cabin of the American peasant, to the palaces of European Kings. Throughout this entire country, in every state, city, and indeed almost every hamlet it contains, Cherry Pectoral is known as the best remedy extant for diseases of the throat and lungs, and in many foreign countries, it is coming to be extensively used by their most intelligent physicians. In Great Britain, France and Germany, where the medical sciences have reached their highest perfection, Cherry Pectoral is introduced, and in constant use in the Armies, Hospitals, Alms Houses, Public Institutions, and in domestic practice, as the surest remedy their attending Physicians can employ for the most dangerous affections of the lungs. Also in milder cases, and for children it is safe, pleasant, and effectual to cure. In fact, some of the most flattering testimonials we have received have been from parents who have found it efficacious in cases particularly incidental to childhood.

The Cherry Pectoral is manufactured by a practical Chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, consequently can be relied on as genuine without adulteration.

We have endeavored here to furnish the community with a medicine of such intrinsic superiority and worth as should commend itself to their confidence—a remedy at once safe, speedy and effectual, which this has by repeated and countless trials proved itself to be; and trust by great care in preparing it with chemical accuracy, of uniform strength to afford Physicians a new agent on which they can rely for the best results, and the afflicted with a remedy that will do for them all that medicine can do.

Prepared and sold by James C. Ayer, Practical and Analytical Chemist, Lowell, Mass.

Sold wholesale and retail in Milwaukee by Lake & Williams and Bosworth & Son; in Waukesha by Geo. Hatch; and by the Druggists and dealers in medicine generally throughout the state. au13-1w3m

AUCTION SALES. CITY AUCTION ROOM.

CALEB WALL, Auctioneer.

I AM home again after a brief visit to New York and Boston, where I have selected and will have in a few days, the best stock of Domestic and Staple Dry Goods in this City. I will not except any. Facts will prove themselves. I hope Country Merchants and others who purchase Goods for cash or city acceptance, will call and see my stock of Goods and prices before they purchase. I know I have not the sympathy of many merchants in Milwaukee, or do I care; for I have been twenty years in trade, and have learned that in trade there is no friendship. What I do, I do on my own judgment, and I sell my goods at a profit that I am satisfied with, and not to satisfy my neighbors.—Now this is plain common sense talk, and I do hope those who are purchasing goods to sell again, will call at the City Cash Jobbing and City Auction Room.
CALEB WALL,
nov3 City Auctioneer, and Commission Merchant.

CITY AUCTION ROOM.

Large and Extensive Sale of Invoice of Hardware.

I WILL open on Monday next, Nov. 8, an entire invoice of Hardware, which will be offered at the New York cost, on Six Months Credit for approved Bank Paper. The goods are all good, and well selected, consisting of Butts, Screws, Saws, Locks, Hammers, Hatchets, Scissors, and a thousand other articles in the Hardware line. Merchants are invited to call and examine the invoice. If not sold by Wednesday, Nov. 10, I will sell it at Public Auction to the highest bidder for cash, or when the amount purchased is one hundred dollars, Railroad stock of the M & M R R Co., will be taken at par. The sale will take place at the Store Room formerly occupied by Hood, two doors south of Mitchell's Bank. The sale will commence at 11 o'clock A. M. CALEB WALL,

CITY JOBBING AND CITY AUCTION ROOM.

TWENTY THOUSAND DOLLARS worth of Staple Dry Goods now receiving direct from Boston, and New York, which I will sell at a very small profit for cash. Some one or two of my fellow merchants are little vexed because I sell goods so cheap. I cannot help it. I have no one to divide profits with, and of course I can sell cheaper, and I presume I bought my goods very cheap, as I paid cash for a large portion of them. CALEB WALL,
sep7 City Auctioneer.

CHICKERING'S PIANOS.

sep15 City Auctioneer.

CITY AUCTION ROOM.

TO THE PUBLIC.

IN presenting this advertisement, I do not want you to look at it and say "ANOTHER HUMBUG." Not so! for facts will speak for themselves. It is a very common thing now-a-days to get up tremendous large show bills, trying to excite the community by promising great and monstrous things. I desire to do nothing of the kind. I simply want to state that I spent some two or three weeks or more in New York and Boston, purchasing Staple Dry Goods calculated for the trade of Wisconsin; which goods were purchased of the First Class of Houses, at the lowest possible prices, and many of them were purchased for Cash and on very short time. Now I want to sell these Goods in the same way, and I will sell them at a very small profit. I know not how other merchants sell their goods, nor do I know how they purchased them. They understand their business and are clever fellows. But this one fact let me state, I have no one to divide the profits with, and I sell no goods upon risk; therefore I can sell goods at a much smaller profit than if I had two or three partners to divide profits with. What I want is this; those who purchase goods for cash, or have Wheat or Flour, to exchange for goods, call and see whether what I state, is true or not. Never mind what any one says. Come and let your own eyes and judgment be your guides. I have facilities and arrangements made for any quantity of goods and at prices that every one will be satisfied with. All my goods are staple, and I am satisfied that a better assortment of the same description of goods cannot be found in the City of Milwaukee. So remember the City Cash Auction Store. CALEB WALL,
sep15. City Auctioneer.

Never mind what any one may say, I have a broad back and can stand most anything that may be said, for I have been nearly twenty years in the West, and have got used to talk. So come to the City Auction and Jobbing House, if you want bargains.

GREAT WORK ON CIVILIZATION.
This great work can be had at OTT'S Bookstore, 275 East Water street. It is the work of the age. From a large number of liberal and highly complimentary notices of this work, from the religious and secular press, we only select the following:
"This admirable work is at length before us, and we hasten to inform our readers of this valuable addition, which has there been made to the Literature of our country. The work is by far the most important of its kind, ever published in this country. It is in fact a complete library in itself, condensed and so arranged as to bring the whole question within the grasp of the humblest reader. It appears most appropriately at the present time, and will, no doubt, prove an instrument of great efficacy in the work of diffusing sound doctrines on the matter of which it treats."—*Truth Teller.* april23

SLOAN'S LIFE SYRUP
IS altogether superior to any Medicine heretofore discovered for the rapid cure of *Colds, Coughs, Influenza, Hoarseness, Whooping Cough, Croup, Bronchitis, Catarrh, Asthma, Dyspepsia, Liver Complaint, Incipient Consumption*, and for the relief of *Consumptive Patients* in advanced stages of the disease, also for *all diseases* which originate from impurity of the blood, to wit: *Salt Rheum, Mercurial, Syphilitic or Venereal*, and *Eruptive, or Diseases of the Skin, as Blotches, Pimples or Pustules*, and all *Itching Eruptions, Chronic Inflammation of the Liver, White Swellings, Necrosis, or Fever Sores, Rickets, Fistula, and King's Evil;* in short, in every taint in the System or Blood, from whatever cause it may arise, or of however long standing, this medicine will be found far superior to any other remedy.
This Syrup rapidly imparts Purity and Vitality to the Blood, and action to the Liver, and thereby assists nature in throwing off disease.
Notwithstanding this Syrup is a powerful Curative, and invariably creates an appetite, gives tone and energy to the nervous system, and strengthens the whole body, yet it is mild in its action, and may be safely employed in the most delicate cases. It is agreeable to the taste, and stomach, and in diseases of *Women and Children*. *One Bottle of Sloan's Life Syrup* will produce more real benefit than *ten times* the same quantity of any other preparation offered to the public. One table spoonful of this Syrup is all that is necessary to be given at a time, whereas, nearly all other preparations are recommended to be taken in *large quantities*, which seldom benefit the patient, and frequently overloads the stomach and produces serious injury—consequently *Sloans Life Syrup*, is not only the *best* medicine of the kind in use, but it is decidedly the *cheapest*. For *Man* it has no equal, and is emphatically the *Poor Man's Friend*, and a *superior Family Medicine.*
